

Great Britain Women (Senior Division) Dragon Boat Racing Team

Looking for a new challenge?
Got the drive to become a top-level international athlete?

The Great Britain Women, Senior Division (age 40+) Dragon Boat Racing team are recruiting competitive, hardworking, committed women from across all paddling disciplines to produce a team capable of challenging for medals at the International Dragon Boat Federation (IDBF) World Dragon Boat Racing Championships in Racice, Prague, Czech Republic in August 2009.

If you have the drive and desire to take up this challenge, can commit to training for competition at an international level and have a good level of paddling skills in your sport, you are the women we want!

Dragon Boat racing is a highly demanding and competitive sprint-discipline water sport, in which teams of 20 race 38 foot boats with single blade paddles over distances of 200m, 500m and 2000m. The IDBF World Championships are the biggest tournament in the sport, with teams from 5 continents, and over 3000 competitors who come from a variety of sporting backgrounds.

The GB Senior Women are one of the top crews internationally, having won a clean sweep of gold medals at the 2006 European Championships in Prague. We are now looking to cement our reputation as one of the world's top Dragon Boat teams in our division.

If you think this could be you, we have 3 British National Training Squad (BNTS) training days before Pre-Trials and Squad Selection Time Trials in May and June respectively. Our next BNTS training session is on February 21st in Worcester, and the Time Trials will be on Saturday 13th June.
